Rankings are based on figures from more than twenty thousand booksellers where a wide range of general interest books are sold. These include hundreds of independent book retailers; national, regional and local chains; online and multimedia entertainment retailers; university, gift, supermarket, discount, department stores and newsstands. An asterisk (*) indicates that a book's sales are barely distinguishable from those of the book above. A dagger (†) indicates that some bookstores report receiving bulk orders.

Titles are distributed in The United States and Canada by Ingram Publisher Services and are available at your favorite bookstore.
